NFT ROULETTE INTRODUCTION

NFT ROULETTE

NFT Roulette is one of the most exciting events ever, thanks to the collaboration of Winery Swap and Pool. Users can obtain the exclusive NFT from those Lucky Draws by participating in NFT Roulette. With **ONLY 5 CORK**, participants will own the rarest NFT from limited collection only sold on POOL.

BENEFITS

BENEFITS

- NFT holders will receive POOLS PHONE for free when POOLS PHONE is released in May to July 2023.
- During the POOLS PHONE sale, holders of 10,000 NFTs receive a sales dividend. When a POOLS PHONE NFT card is transferred, the cardholder's dividend is lost, and this dividend is distributed to the person who received the transfer.
- NFT holders are given a referral code from the POOLS PHONE pre-sale site and will receive a portion of the sales incentives when someone uses their code to make a purchase. The incentives, however, differ depending on the tier.
- When the POOLS PHONE is publicly sold on the market, the NFT holders will earn a portion of the share point in the phone buyer's reward point.
